

**THREE
LANE ENDS
ACADEMY**

THRIVE • LEARN • ENJOY • ASPIRE

18 July 2019

Dear Parents/Carers,

This letter provides you with information regarding the clubs that are on offer for your child starting in September 2019. It is broken down into two sections: the club and information on when the club will run and the application form.

The summaries provide a brief description of important information about each club, such as the club times, start and finishing dates and overall costs. Finally, the application form allows you to indicate which clubs you would like your child to be considered for, in order of preference.

Once you have completed the final application form, please return it to your class teacher **no later than Friday 6 September 2019**.

Please note: as spaces are limited for each club, should your child be unsuccessful they may be placed on a waiting list or offered an alternative club.

All clubs will start after school and finish at 4:00pm. Please pick your child up from the school office. If your child has consent to walk home alone (Year 5 and 6 only, if over 10 years old) please state on the application form.

If the club your child is participating in is an active club, you should send school PE kit in with them on the relevant day.

Once your child has been selected for a club they will be added to Parentpay for you to make an online payment.

Yours sincerely

Mr Reynolds
Year 5 Teacher

Three Lane Ends Academy
Methley Road, Castleford
West Yorkshire WF10 1PN

Description	Science Reception, Yr 1/2	Arts & Crafts Yr 1/2	Lego Club Yr 1/2/3/4	Creative Writing Yr 3/4/5/6	Film Club Yr 3/4/5/6
	Calling all scientists! In Science club we will be doing lots of fun, practical experiments from fizzy juice volcanoes to making our own lava lamps!	The children will be using a variety of different Artistic medias and styles to complete mini-projects (papier mache, clay pot making, etc.)	Challenges set around Lego (things to build) and then competitions at the end of some of the sessions (e.g who can build a boat out of Lego that floats).	Children will self-direct short writing projects, developing and expanding their creative writing skills. An excellent opportunity for writers of all levels!	We have a school link with 'Into Film' through a Film for Literacy project. We will be studying, viewing and analysing a variety of films. An incredibly exciting opportunity to view amazing movies and develop Literacy skills at the same time!
