

4 September 2019

Dear Parents,

Parents of Year 5 and 6 children are invited into school on Tuesday 17th September 2019 9.05am – 10.40am to attend a Maths Learning Lab. This is designed to show parents how to help their children at home with Maths. Parents will first have an opportunity, to work with myself, to understand the calculation policies used in school. They will be then invited into classrooms to support children with their work. Please complete the slip below to confirm your attendance.

Yours sincerely

Mrs Swann
Assistant Headteacher
