11th October 2019

Dear Parent/Guardian

Bicycles and Scooters

Following a serious incident on the playground this morning when a child was badly hurt following been hit by a bicycle we would like to ensure everyone is aware of the rules on site.

Children **must not ride** bicycles or scooters on the school playground. Children must get off their bicycle or scooter at the school gates and push to the bicycle stands immediately.

At the end of the school day children must not ride their bicycles or scooters until they leave the school playground. If a child is caught riding on the playground they will be asked not to bring them to school in the future.

We would like to thank parents and carers for the support with this. We would like to ensure that there is not a repeat of the serious incident on the playground today.

Yours sincerely

Miss D Roberts
