

19 December 2019

Dear Parent/Carer

On Tuesday 7th January, your child will be immersing themselves in to their topic with an exciting day of activities based on their new learning for the term. To support their engagement, we would like the children to dress up. We do not require you to go out and purchase clothing, be imaginative and create something or piece together an outfit that is appropriate.

All year groups will be taking part in this with the exception of Year 3. With them being on a trip on this day, they will have their Immersion Day on Wednesday 8th January.

Year group	Topic	Dress code
EYFS	Journey to Space	Children to come dressed in silver clothing and/or space themed clothing.
Year 1	A Passport to Life	Children to come dressed for a holiday. They can be in summer outfits, for walking holidays or for a winter break!
Year 2	Bright Lights, Big City	Children to come dressed in Red, White and Blue coloured clothing!
Year 3	Meet the Flintstones (Wednesday 8 th January 2020)	Children to come dressed as Stone Age or Cavemen/Cavewomen. They could also come dressed as Flintstone style characters.
Year 4	War of the Worlds	Children to come dressed ready to protest! As an additional prop, can children bring in a cardboard box that can be used to create signs!
Year 5	To Boldly Go	Children to come dressed for a travel to a far away place. The topic will be based around space – so astronauts and space beings could be an idea!
Year 6	The Fight to Survive	Children to come in disguise from their usual appearance

Thank you for your support

We look forward to, what should be, a fantastic day!
