

3 February 2020

Dear Parents/Carer,

CONGRATULATIONS – 5 Osprey!

I am excited to announce that our class achieved 97.2% attendance for the whole of last half term. As you are already aware, each class who achieve 96% or higher attendance, each half term, will receive a piece of Trivial Pursuit Pie. Last half term we were working toward the green piece – Science & Nature.

As a reward, I have arranged for Zoolab to visit the children in school on Monday 24 February 2020. The children will learn all about exotic animals and their habitats. They will also have the opportunity to touch some of the amazing creatures, if they choose to.

This is great opportunity for the children and we are all looking forward to what will be an excellent workshop.

I ask that all children continue to attend everyday so we can enjoy more rewards in the future.

Please could you complete and return the attached pro-forma. If this form is not returned your child will not be able to take part.

Yours sincerely

Mr Milliner
Year 5 Class Teacher
