Speech and Language Therapy Spring 2020 Drop-in Sessions

Are you concerned about your child's speech and language development?

Has someone else (a relative, friend, teacher, health visitor) discussed your child's speech and language skills with you?

Does your child have a minor speech or language difficulty and you are not sure whether to ask for a referral to a therapist?

Would you like to see a speech and language therapist without making an appointment?

If the answer is "Yes" to any of these questions the Speech and Language Therapy Drop-in sessions are for you!
