

Nursery Home Learning Plan: Week 2

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Phonic activity Watch the jolly song for the letter sound 'd'. https://www.youtube.com/watch?v=otd7eT46G4k Can you think of anything beginning with that sound? Clues: An animal that lives in a pond. An animal that says "woof" Numberblock six loves playing with these. Practise saying the words together (exaggerating the 'd' sound). I have included some flashcards of things beginning with 'd' at the end of this document.</p>	<p>Phonic activity Make some letter sound flashcards with your child for the letters; s, a, t, p, i, n, m, d. Stick them up around your living room. You say a sound and your child has to run to the correct flashcard. If you have a nerf gun, you could get your child to blast the correct letter sound!!!</p>	<p>Phonic activity Watch Geraldine the Giraffe learn about the 'd' sound. https://www.youtube.com/watch?v=65b3vEfskZ4  Can you remember all the things that Geraldine found? Can you find any of them in your house? Go on a 'd' hunt and see what you can find.</p>	<p>Phonic activity https://new.phonicsplay.co.uk/resources/phase/2/grab-a-giggling-grapheme Go to the website 'phonics play', and log in. Username: march20 Password: home Click on resources, and find the game 'Grab a giggling grapheme'. Select the grapheme button :  Allow your child to listen to the sound and then press the correct alien.</p>	<p>Phonic activity Play a listening and attention game with your child. Have a selection of objects on a tray beginning with the sounds s, a, t, p, i, n, m, d. One object for each letter sound. Talk about each object and listen for the initial sound. Tell your child to close their eyes while you take one object away. Can they tell you what has gone missing and what sound it begins with?</p>
<p>Maths activity Watch the Numberblocks episode; Just add one. https://www.bbc.co.uk/iplayer/episode/b08q39b4/numberblocks-series-2-just-add-one Using Numberblocks/ number flashcards/ objects, practise counting forwards and backwards to ten, as you add/ takeaway one each time. I have attached some Numberblock flashcards for you to print off at home. Or if you're like me and don't have a printer, then making your own is lots of fun!</p>	<p>Maths activity Park 5 toy cars in pretend car park. If one car drives away, will there be more or fewer cars? Drive one away and check by counting. Park a different number of cars in the car park and do this again. Change by adding/ taking away a car each time.</p>	<p>Maths activity Ask your grown-up to tell you a number. Place this number of raisins, grapes, chocolate buttons or cereal pieces on your plate. If your grown-up says 'one more', can you add one more and say the number you have? If your grown-up says 'one less', can you eat one then count the number you have left?</p>	<p>Maths activity Build a tower with 7 bricks. Can you build two more towers of bricks, one that uses one less than 7 bricks and one that uses one more than 7? Can you put these in an order? What do you notice?</p>	<p>Maths activity Set up a small shop using toys or food. Give each item a price label with a price of up to 10p. Use pennies to buy the different things. Now pretend you are having a sale and everything costs 1p less. What would everything cost now? Change the labels.</p>
<p>Creative activity People all over the world are making rainbows as a sign of hope and happiness. Can you collect as many red things as possible to make the first line of a rainbow? You could use blocks, bricks, teddies, ANYTHING!</p>	<p>Literacy activity Build a den with your grown up. Choose one of your favourite stories to share inside your den. We would love to see pictures of your story telling den!</p>	<p>Literacy activity Can you draw a picture of some of the things beginning with 'd' that you found on your phonic hunt?</p>	<p>Literacy activity Make an Easter card! You could draw an Easter picture on the front and then write your name inside.</p>	<p>Physical activity Cosmic Yoga- On the Farm (YouTube) https://www.youtube.com/watch?v=YKmRB2Z3g2s</p>

Nursery Home Learning Plan: Week 2

Repeat for orange, yellow, green, blue, indigo and violet until you have made a rainbow of objects. I have included an example.
Upload your photo's onto SeeSaw!
