

3 March 2020

Dear Parent/Carer,

We have recently adopted a new phonics scheme within school to support the teaching and learning of Reading from Reception to Year 2. The scheme we have chosen to adopt is Monster Phonics.

This programme is supported by a range of reading books that are matched to the different stages of the 'Letters and Sounds' structure, and these will be sent home with pupils to support reading and progress in phonics. We would like to invite parents of Reception, Year 1 and Year 2 children to an information session about this programme, so that you are familiar with how we teach phonics and how the books support phonic development. At the session, there will be an opportunity to have a look at the range of books that will be on offer for your children to bring home to read.

This information session will take place on, 24 March 2020 at 9:15am and 5:30pm. There is only a need to attend one of these sessions.

Please notify us, via the slip below, of the session you are interested in attending.

Yours sincerely,

Delyth Roberts  
**Headteacher**
