17 March 2020

Dear Parent/Carer,

In light of the recent guidance from the DFE in relation to COVID-19, we have made the decision to postpone any trips and visits that we had already planned.

Reception were planned to visit Piglets Adventure Farm on the 31st March 2020, however this has now been postponed to 5th May 2020. The cost already paid by parents will be transferred to this new date and there will be no additional cost.

We acknowledge that this is the second time we have postponed this visit and this will be disappointing for pupils, however we hope you understand why we have made this decision.

Further information with regard to the arrangements will be communicated nearer the time.

Yours sincerely

Miss D Roberts
Headteacher
