

**THREE
LANE ENDS**
ACADEMY
THRIVE • LEARN • ENJOY • ASPIRE

Monday 22nd June 2020

Dear Parent/Carer,

Your child has now been attending school since the week of 8th June and it has been an absolute pleasure in having them back in school. The children have adapted extremely well to the 'new' measures and routines we have had to implement and have approached every day with a smile on their face. I would like to thank you for your understanding and support in following and adhering to the arrangements and measures we have put in place so that your child, our families and staff are safe.

However we would like to offer the opportunity for every child to access some time in school as part of transition ready for next year and to meet their teacher. In order to do this, and have the space in school, we will **need to end the arrangement** whereby Reception, Year 1 and 6 attend school **as of Friday 3rd July**. Reception and Year 1 pupils will be provided with new arrangements to come in and meet their new teacher before the end of the summer term.

For those transitioning to Year 7, the secondary schools will be providing work and tasks online. Once we have more information with regard to this, we will ensure that this is made available for you.

We hope you understand our reasons for this decision. A large proportion of you will have other children still at home and will be eager for them to have some time back in school, as well as each child meeting their teacher for the next academic year. Further information with regard to transition arrangements will be made available for parents as soon as we have finalised these.

Thank you for your continued support and understanding.

Yours sincerely,

Delyth Roberts
Headteacher
